Aims of the lesson

In this activity participants will be invited to reflect and debate around a topic of common and general interest, such as energy, climate or health, supporting two opposite positions.

Description

Concrete steps:

- Introduction: the trainer introduces the workshop and its learning objectives (5')
- Teams setting and instructions delivery: participants are split into two groups and each of them will be assigned a position which is opposite to the others' team (for example: the left and right parties in the EU Parliament) (10')
- The trainer launches some driving question related to a topic of common and contemporary interest, such as energy, climate or health, like: *should we pay increase or decrease taxation?, should we allow LGBTQ+ families?, etc* (5')
- The workshop will be realised following this sequence of steps:
 - Teams discussion (20')
 - Thesis presentation (10')
 - Contrathesis creation in each team (20')
 - Contra thesis presentation (10')
 - Teams discussion (20')
 - Synthesis presentation (10')
 - Final open discussion and debriefing (10')
