## Pilot Online Training

We are delighted to announce the successful completion of our project's pilot phase, involving 15 youth workers and 25 young participants (aged 18–29) from Greece, Spain, Italy, Cyprus, and Austria—75 youth workers and 150 young individuals in total. Two tailored surveys gathered valuable insights that shaped our project, and our platform with its interactive modules was unveiled.

## Multiplier Events

As Eco-Media nears its conclusion, we are excited to prepare for the **Multiplier Events**—final events in each partner country to showcase and disseminate all project results. These events will highlight the impact and achievements of Eco-Media, marking the culmination of our collective efforts. Stay tuned for updates and event details!
